

each student matters

Riverview Elementary School in El Mirage

K-8th grade, 1050 students
75-80% free or reduced lunches

Parkway Partners (an outreach of Forward Drive) is joining forces with Riverview Elementary in El Mirage by "adopting" them on an ongoing basis.

This is your chance to help around the school and encourage K-8th graders, along with the teachers and staff of the school.

We have already delivered underwear, socks, clothing, combs and brushes thanks to a grant and donations.

This spring we will have the opportunity to volunteer at the library, help out at the Spring Festival, and help facilitate a teacher appreciation breakfast or lunch at the end of this school year.

Who can help? Men, women, teens, retirees, those who want to give time to others.

All volunteers will be required to go through screening via the district office. We can schedule it for you.

Riverview is within our line of sight – we will be showing God's love through our actions!

Contact Michele Schweig or Jenn Texidor with any questions, ideas or to volunteer your time at this email address:
